Our goal is to make your pet's visit as comfortable and stress-free as possible. We provide bedding, food, and water as well as lots of love and attention.

You are welcome to bring your own food, toys and treats if it will make your pet's stay more comfortable. We will make every effort to return these items to you in good condition. Please understand that we are not responsible for replacing damaged bedding or toys that you provide, but we will substitute our own bedding to make sure that your pet stays comfortable.
